Re: Proposed Memorandum of Understanding for the Uinta and
Lake Fork Water Commissioner

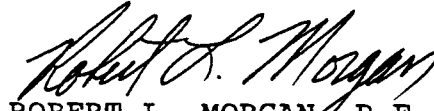

Gentlemen:

In accordance with the request of the BIA and the Tribe at the water distribution meeting held January 23, 1990 in Roosevelt, a "Memorandum of Understanding for Appointment of Water Commissioner in the Uinta and Lake Fork Rivers" has been prepared for your review and comments. Please review the proposal and get to me your comments as soon as reasonably possible.

I also understand that another distribution meeting has been set for March 13th at 1:00 p.m. at the Dry Gulch Irrigation Company Office. Hopefully, the terms of the MOU can be finalized at this meeting as well as other matters regarding a Water Commissioner for the Uinta and Lake Fork Rivers.

Thank you for your attention to these matters. Please direct any questions to myself or Lee Sim, Directing Distribution Engineer.

Sincerely,

ROBERT L. MORGAN, P.E.
State Engineer
